

The Shenzhen International Finance Expo

2023 The 17th Shenzhen International Finance Expo

Dec. 2th– Dec. 4th, 2023 Shenzhen Convention & Exhibition Center

Exhibition profile:

The China (Shenzhen) International Financial Fair (hereinafter referred to as Shenzhen Golden Fair) is a grand financial event hosted by Shenzhen Municipal People's government, jointly organized by Shenzhen Financial Office, Shenzhen banking regulatory bureau and Shenzhen Securities Regulatory Bureau. Since the first Shenzhen gold fair was held in 2007, the scale and influence of the fair have been on the rise; In 2023, Shenzhen Golden Fair has gathered nearly 300 financial institutions and 1000 entrepreneurs at home and abroad. During the fair, more than 20 professional forums and matchmaking meetings have been held. It is committed to promoting the optimization of financial industry structure and the rapid and stable development of social economy, building a bridge of communication and cooperation between Shenzhen and other parts of the world, creating a good international investment and financing environment, and improving the global resource allocation capacity, We will help build an international financial hub in Guangdong, Hong Kong and Macao.

In 2023, the 17th China (Shenzhen) International Financial Expo adheres to the general keynote of seeking progress while maintaining stability, follows the law of financial development, closely centers on the two themes of "science and technology helps finance and financial service entities", and creates a collection of financial achievements exhibition, financial innovation and technology, financial innovation and technology, and financial service entities through the way of "exhibition, exchange, cooperation and investment promotion" in accordance with the requirements of specification, branding and internationalization. It is a grand brand meeting of industry docking, academic exchange and financial investment promotion. Shenzhen gold Fair has played a positive role in promoting the development of regional financial industry, international exchange and cooperation, as well as financial industry innovation and cross-border cooperation. At the same time, it is also a platform for centralized release and promotion of financial innovative products and diversified financial services. This platform is of positive significance to the development of our city and even China's financial industry.
